

**FIRST CLUB NEWSLETTER – NOVEMBER 2022**

To our First Club members. Our apologies for taking such a long break from activities. The pandemic slowed us down. And then we just got too busy with fairs, school starting, volleyball games, football games, etc. Most of us reps are legally “First Club Members” now too.

.....

Be sure to check with your branch to see if a date is set for a holiday open house. We would love for you to attend. There will be a special gift for our customers. AND the calendars for 2023 are available now.

We are working on an afternoon activity at the Uehling Auditorium sometime in January or February. We’ll let you in on the details when we figure them out. (Of course, as we head into inclement weather we will be sure to let the radio station know if we have to postpone or cancel.) What are your weather predictions for this year? Colder? More snow? Yuck, but kids love school cancellations.

**And now to finish the page....a couple Ole and Lena stories:**

When Lena turned 40, Ole jokingly said, “I tink I’ll trade you in for two 20’s.” Scoffed Lena, “You’re not WIRED FOR 220.”

Ole was getting absent minded. One day he poured syrup down his back....and scratched his pancake.

Ole had been drinking much too often, so Mrs. Dahlgren suggested that Lena rent a devil’s suit and try to scare him into sobriety. Lena thought that was a fine idea, and rented a devil’s suit at the costume shop. The next time Ole came home drunk, there was the Devil waiting for him at the door.

“Who are you? Exclaimed Ole.

“I AM THE DEVIL,” said Lena in a disguised voice.

“Vell,” said Ole, “Shake hands, brother, ‘cause I married your sister.”

**Happy Thanksgiving and Merry Christmas from your First Club reps,
