I was told by a First Club member, the stories last month were fun. I have room, so here we go again.a couple more Ole and Lena stories:

Ole came back to work 15 minutes late. The boss noticed and asked where he had been.

Ole: Getting a haircut.

Boss: On company time?

Ole: It grew on company time.

Boss: Not all of it.

Ole: I didn't get is all cut off.

Ole and Lena were getting along in years. One night Lena asked Ole if she could get something for him. "Yah, Lena, how about getting me an ice cream sundae vith chocolate syrup and a cherry vith some vhipped cream on top. And be sure to write it down so you don't forget." Said Lena, "I von't forget." Lena was gone quite a while and when she returned, she was carrying a ham sandwich. Exclaimed Ole, "I TOLD you to write it down. Where's the mustard?"
